

REMARKS

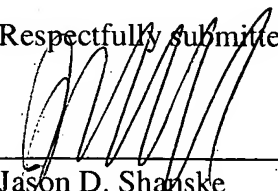

The applicant appreciates the Examiner's thorough examination of the application and requests reexamination and reconsideration of the application in view of the following remarks.

In the Response filed by the applicant on January 9, 2007, the applicant inadvertently made an error in the amendment of claim 10. Specifically, the applicant's amended claim 10 did not reflect the amendment to claim 10 made in the Preliminary Amendment filed with the filing of the application on October 13, 2005. The October 13, 2005 amendment to claim 10 removed the multiple dependency of claim 10. In filing the January 9, 2007 Response, the applicant omitted this previously entered amendment to claim 10, thus giving the appearance that claim 10 was a multiple dependent claim, when in fact it is not.

Accordingly, the applicant is filing this Supplemental Response to include the previously entered amendment to claim 10 and provide an accurate and complete listing of the claims.

If for any reason this Supplemental Response is found to be incomplete, or if at any time it appears that a telephone conference with counsel would help advance prosecution, please telephone the undersigned or his associates, collect in Waltham, Massachusetts, at (781) 890-5678.

Respectfully submitted,
